Alpine Ski Newfoundland Labrador is proud to bring Pierre Ruel down to conduct this four day camp. This camp concept received rave reviews last year and is building on this exciting concept for us and the CSCF, coaches are encouraged to fully participate under Pierre's lead. There will be many different courses "on the go" at the same time so coaches will need to work with and encourage all of the camp participants.

This camp is open to U12 (age 10 to 11) and older athletes. It will consist of mainly slalom drills on the Cruiser and Hot Dog slopes for the athletes. Coaches are requested to bring around 150 stubby/hero gates, brushes, junior gates and full gates (insure that you have them marked) so that we can have thousands of gates on the slopes.

We will also work on mogul skiing including setting courses in the moguls (Kruncher) if there is enough snow. We are also hoping to have special guests for some or all of the camp.

Tuesday Evening at 5:30pm – pasta supper and Fireside Chat for athletes and parents, participants and coaches cost included in camp fee, parents and others \$10 each.

The drills will be working on (coaches will receive 4 ED & 1 RM Credits):

Technical – separation, angulation, impulse and velocity
